

Google Sheets Workshop

The Schenck School

April 9, 2015

Presented by Holli Bice

Workshop Agenda

- Introduce Google Sheets and ISTE Standards.
- Create a spreadsheet and explore some of the basic and advanced features.
- Use the function tool to insert a formula.
- Set up a gradebook with multiple sheets.
- Discuss how Google Sheets can be used in the classroom and with colleagues.
- Share questions, answers, and ideas.
